

Summer Horse Day Camp 2007

Campers will be participating in riding lessons focusing on proper horsemanship according to their ability. They will learn safety, grooming, basic horse care and stable management. There will be daily horse science lessons, videos, and discussions on various topics of interest.

Each camper will arrive each day at 8:00 A.M. and will stay until 12:00 noon. Two hours will be devoted to riding and one hour to horse science. For riding sessions, helmets, riding boots or shoes, and long pants, (jeans, breeches, or chinos) are mandatory. No tennis shoes will be allowed for the riding portion of the day. If your child does not own a helmet we will provide one. Each camper will be able to change into shorts and tennis shoes for the horse science lesson. They will also have the opportunity to get hands on experience with various horse related duties.

Each camp will be limited to four participants per week. The fee for

application to hold your place. Full payment must be received at least a week before your child's camp session begins.

For those campers who wish to bring their own horses stabling will be provided at no additional charge. You will however, need to bring your horse regular grain and hay. *A negative coggins test dated within 12 months of your camp date is required.* A limited number of school horses are available on a first come first serve basis.
